SUBJECT: Docket No. TG-091019
Permit No. G-9

Dear Mr. Danner:

This is in response to Docket No. TG-091018 dated July 6, 2009 regarding the boundaries of the Tacoma City Limits.

In PID5, 6 and 13, it specifies the Tacoma City Limits as it existed on April 1, 1974. The Tacoma City Limits through annexation has changed since that date. Solid Waste Managements' (SWM) only concern is that the document should reflect the Tacoma City Limits as it currently exists. We spoke with Penny Ingram and Rey Dejos of the Washington UTC about this concern.

If you have any questions regarding this inquiry, please feel free to contact Dave Carlisle at 253.593.7717.

Sincerely,

G. Kenneth Tross
Solid Waste Division Manager
