Re: Penalty Assessment TG-091292; Rabanco Ltd. d/b/a Allied Waste Services of Klickitat County,  
G-12

Dear Mr. Danner:

On behalf of Rabanco Ltd., we hereby acknowledge receipt of the notice of penalties incurred and due for violations of laws and rules in the amount of \$44,400. This is to formally request that this matter be assigned for hearing before an Administrative Law Judge under the indicated third option for penalty assessment TG-091292, which admits to the technical violation, but requests a hearing for decision by an Administrative Law Judge on mitigation of the very material penalty assessment amount under these circumstances.

Please notify the undersigned if this request is deemed insufficient under the above referenced notice, but consider this our formal request in response to the penalty assessment notice seeking a hearing before an Administrative Law Judge on penalty mitigation.

Yours truly,

David W. Wiley

Attorney at Law
