RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-101041

Dear Sir or Madam:

As you are aware, on June 30, 2010, the Washington Utilities and Transportation Commission issued a Penalty Assessment against DigitLine Express, LLC in the amount of \$200 for violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report with the commission by May 1 each year. DigitLine Express, LLC failed to file its 2008 and 2009 annual reports in a timely manner, and has incurred a penalty of \$ 100 per violation. The commission sent DigitLine Express, LLC a Second Notice on August 20, 2010, and a Final Notice on September 20, 2010.

The commission has not received the \$200 payment due and owing.

This is to notify you that the commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$200 balance.

If you have any questions about this letter or about the company's obligations under commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
