RE: Notice of Intent to Send to Collections, Penalty Assessment No. UW-101046

Dear Sir or Madam:

As you are aware, on June 30, 2010, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Pelican Point Water Company ("Pelican Point") in the amount of \$100 for violation of WAC 480-110-505, which requires water companies to file an annual report with the commission by May 1 each year. Pelican Point failed to file its annual report for 2009. The commission sent Pelican Point a Second Notice on August 20, 2010, and a Final Notice on September 20, 2010.

The commission has not received the \$100 payment due and owing.

This is to notify you that the commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$100 balance.

If you have any questions about this letter or about the company's obligations under commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
