Re: Ellensburg Telephone Company - Request for Certification Pursuant to
WAC 480-123-060 and 47 C.F.R. §54.314

Dear Mr. Danner:

Pursuant to WAC 480-123-060, Ellensburg Telephone Company ("Company") hereby requests that the Washington Utilities and Transportation Commission certify that the Company has met the requirements of 47 C.F.R. §54.314 for eligibility for continued receipt of federal high-cost funds.

The certifications and reports that are specified in WAC 480-123-060, WAC 480-123-070 and WAC 480-123-080 are enclosed. Since the reports contain confidential information, redacted and confidential versions of the reports are included with a claim of confidentiality pursuant to WAC 480-07-160. Since only one copy of the reports and certifications are required to be filed, the Company requests waiver of the requirement to file multiple copies as set out in WAC 480-07-160(3)(c)(iii).

Sincerely,

RICHARD A. FINNIGAN
