RE: Fuel Surcharge Inquiry
Docket T-101661

TO REGULATED COMMERCIAL FERRY COMPANY:

On October 15, 2010, the Washington Utilities and Transportation Commission (Commission) filed with the Code Reviser a Pre-proposal Statement of Inquiry (CR-101) to initiate a rulemaking to consider whether to adopt, by rule, methods for determining the circumstances under which it will permit solid waste, auto transportation and ferry companies to impose a surcharge for fuel costs and the methods of calculating any such fuel surcharge in WAC 480-07, WAC 480-30, WAC 480-51 and WAC 480-70.

Pursuant to the Commission's general authority to obtain and review regulated company information under RCW 81.04.070 and 81.04.090, the Commission requests that each Certificated Commercial Ferry Company provide data on the Company's operations related to this Inquiry by completing the attached spreadsheet. The spreadsheet is also available electronically on the Commission's website at www.utc.wa.gov/101661. Please complete and submit the spreadsheet no later than 5:00 p.m., on Friday, November 5, 2010, via the Commission's Web portal (www.utc.wa.gov/e-filing) or by electronic mail to the Commission's Records Center at records@utc.wa.gov.

If you are unable to file the completed spreadsheet electronically, the Commission will accept a paper document. Questions may be addressed to David Gomez at (360) 664-1240 or e-mail at dgomez@utc.wa.gov.

Sincerely,
