Subject: Docket No. UT-111189 - 2010 Annual Access Report – Revised

Dear Mr. Danner:

Enclosed for filing is the Frontier Communications Northwest Inc. revised switched access demand units report for 2010. The report has been updated to include LEC to LEC MOUs. Please replace the report filed on June 30, 2011 with the enclosed revised report.

The demand unit quantities are marked "Confidential per WAC 480-07-160" as they would have economic value to the Company's current and potential competitors. Revised redacted sheets are also provided.

If you have any questions concerning this report, please call me at 972-456-7551 or email me at kimberly.a.douglass@ftr.com.

Sincerely,
