To whom it may concern:

This letter serves as a **formal request for a hearing to contest the factual allegations brought against me.** There are allegations in regards to my affiliation with City Transport Inc. that needs to be addressed and understood by the Washington Utilities and Transportation Commission. In addition, I will make reference to my company's "history of noncompliance" and "harmful business practices". Lastly, I would love the opportunity to set at hearing as soon as possible because I have to travel on 8/1/2012 for about 7-8 weeks

Respectfully,
Chara Green
