(By Friday, August 16, 2013)

Re: Puget Sound Energy, Inc.
2013 Integrated Resource Plan, Dockets UE-120767 and UG-120768

TO ALL INTERESTED PERSONS:

The Washington Utilities and Transportation Commission (Commission) will accept comments on Puget Sound Energy's (PSE's) integrated resource plan (IRP or Plan) for electric and natural gas service. An "integrated resource plan" describes the mix of generation and supply resources and efficiency improvements that will meet both the current and future energy demands at the lowest cost to the utility and its ratepayers.

PSE representatives will present the plan to the Commission and will respond to questions from the Commissioners and the public at a recessed open meeting of the Commission, to be scheduled later. A copy of the plan is on file in the library at the Commission's offices in Olympia. Requests for copies of the plan should be directed to PSE.

Written comments should be submitted **no later than 5:00 p.m., August 16, 2013**, and, if possible, in electronic format. Electronic format should be on a CD or 3 ½ inch IBM formatted high-density disk, in .pdf Adobe Acrobat format. Please also send us the text in your choice of .doc (Word 97 or later) format labeled with the docket number assigned to the integrated resource plan (UE-120767 and UG-120768) and the commenter's name and type of software used. Comments may also be submitted via the Commission's Web portal at www.utc.wa.gov/e-filing or by electronic mail to the Commission's Records Center at records@utc.wa.gov. If you choose this means of submitting comments, please include all of the information requested above for the diskette label. The Commission will make available all comments provided in electronic form on the Commission's web

site at <http://www.utc.wa.gov>. Documents will be posted within twenty-four hours of receipt.

Comments delivered by mail or courier should be addressed to: Steven King, Acting Executive Director and Secretary, Washington Utilities and Transportation Commission, P.O. Box 47250, 1300 S. Evergreen Park Drive S.W., Olympia, WA 98504-7250.
