Sirs:

I welcome the proposed service between Whidbey Island and Bellingham International Airport. I travel frequently and not having service to this growing airport has been increasingly inconvenient. While the airport itself is more convenient for many of my travel plans, getting to BLI from Whidbey is not. Over the years I have used the Seatac service provided by this company and find it to be professionally, comfortably and safely operated and I am glad to see that they are willing to provide this necessary service to Bellingham. They have my whole hearted support in this endeavor.

Sincerely,

Edward Drum, MD
