Dear Company:

In Docket TC-120849, the Utilities and Transportation Commission (Commission) granted you forbearance from rate and service regulation as an auto transportation company for specific route(s) as reflected in your filing in this docket.

A review of Commission records indicates that although the Commission granted forbearance, it did not reissue your certificate to reflect that approval. To correct this oversight, Commission staff will reissue your certificate (C-1073) to add the specific route(s) for which the Commission granted forbearance. The revised certificate will authorize the following operations.

PASSENGER SERVICE BETWEEN: Yakima, Ellensburg, Cle Elum, and North Bend.

PASSENGER SERVICE BETWEEN: Yakima, Ellensburg, Cle Elum, and North Bend, on the one hand, and on the other hand the Seattle-Tacoma International Airport and the Seattle Amtrak station.

AND

Charter and Excursion Carrier Services in the state of Washington, including services limited to specific auto transportation services granted with forbearance from rate and service regulation under RCW 81.68.015 in Docket TC-120849, Order 01 as follows:

Passenger service limited to services provided by contract with the Washington State Department of Transportation (Department) and funded by grant monies from the Department for service between Walla Walla and Pasco.

If you have any questions, please contact Ms. Tina Leipski no later than Monday, Monday, January 6, 2014. Ms. Leipski can be reached at (360) 664-1170 or by email at tleipski@utc.wa.gov. Commission staff will send you a copy of your revised certificate in three to four weeks.
