RE: Special Fuel Surcharge Supplement #121

Dear Mr. Asche:

Bremerton-Kitsap Airporter, Inc., (company), has filed with the Washington Utilities and Transportation Commission (commission) a filing described as “Special Fuel Surcharge Supplement No. 121” containing a request for Less than Statutory Notice with an effective date of February 19, 2013.

Commission Order 02 in Docket A-042090 requires that the requested effective date be “at least three business days after the date the request is received.”

The filing was received on February 15, 2013, which does not allow for the required three business days. Also, the filing did not contain the required fuel invoice supporting documents. Therefore this filing is rejected in its entirety.

The current fuel surcharge supplement in Docket TC-130059 will expire February 18, 2013, which means no fuel surcharge will be in effect February 19 and 20.

If you have any questions regarding this letter, please contact Mike Young at myoung@utc.wa.gov or (360) 664-1155.

Sincerely,

DAVID W. DANNER
