NOTICE WITHDRAWING PENALTY

RE: Infotelecom Holdings, LLC, Application for Mitigation of Penalty Assessment Docket UT-130815

TO ALL PARTIES:

On August 1, 2013, the Washington Utilities and Transportation Commission (Commission) issued and served a Penalty Assessment against Infotelecom Holdings, LLC (Infotelecom or Company) in the amount of \$1,800, alleging a violation of WAC 480-120-382, which requires telecommunications companies to file annual reports and pay regulatory fees by May 1 each year.

On September 30, 2013, Infotelecom filed a request for mitigation of the penalty. Infotelecom states that it is a bankrupt entity that is no longer providing communications services in Washington. It also states that all of its assets were transferred to Broadvox-CLEC, LLC and that Broadvox-CLEC, LLC has filed its annual report.

On October 3, 2013, Commission Staff filed a Response to Infotelecom's request for mitigation. Staff confirms that the Company is in dissolution, and that it reported no revenue in Washington state in 2012. Staff recommends the assessed penalty be withdrawn, and that a separate docket be opened to cancel the Company's certificate.

The Commission withdraws the penalty assessed against Infotelecom. The Commission cannot assess a penalty on a company under the protection of the bankruptcy court, and any further action the Commission needs to take with respect to Infotelecom and the transfer of its assets should occur in a separate docket.

THE COMMISSION GIVES NOTICE That the penalty of \$1,800 assessed against Infotelecom Holdings, LLC, is withdrawn and Docket UT-130815 is closed.
