RE: UW-143116

Dear Mr. King;

Washington Water Service Company requests that the effective date of the current filing UW-143116, be extended to September 25, 2014. The company and staff have agreed that due to the complexity of the current rate filing and the limited time for review, additional time is needed for full review.

Please do not hesitate to call if you need any additional information. I can be reached toll free at (877) 408-4060 ext 1105.

Sincerely,

A handwritten signature in blue ink, appearing to read "A.E. Pratt".
