**RE: STRATFORD ROAD SIDEWALK PROJECT—2015
WITHDRAWAL OF PETITION FOR FUNDS DOCKET TR-143567**

Dear Ms. Hunter:

Our Stratford Road Sidewalk Project is moving forward, but construction will not occur before June 30, 2015. Therefore, we request to withdraw our petition (docket TR-143567) for sidewalk protective funds.

Because we are still moving forward with our project, including the railroad crossing, we will immediately petition for the same funds in the 2016-2017 biennium.

Please call me at 509-764-3784 if you have any questions or comments regarding our project.

Sincerely,
