To: TR-144056 - File

From: Lori Halstead, Transportation Specialist, Rail Safety

Subject: **TR-144056 – Clark County Chelatchie Prairie Railroad**
Completion of Grade Crossing Protective Fund (GCPF) Project
To Improve the Crossing Surface

On February 12, 2015, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$20,000 to Clark County Chelatchie Prairie Railroad for a project related to crossing surface improvements. The GCPF grant will pay a portion of the total costs of improvements at the intersection of NE 78th Street and the railroad's tracks.

On June 8, 2015, Clark County Chelatchie Prairie Railroad submitted a request for reimbursement for the project. Rail Safety staff received pictures of the new crossing surface and paperwork justifying that the project was completed according to the specifications outlined in the order approving the grant. The total GCPF cost is \$20,000.
