RE: Withdrawal of TG-150304, 150305, & 150306 Less Than Statutory Notice Tariff Revisions

Dear Mr. King,

Please accept this withdrawal of yesterday's filings for less than statutory notice updates to our tariff pages, item 5 (Application of Rates – Taxes) for G Certificates 12 & 60, tariff #s 11, 26, & 27. These tariff revisions were already previously filed and were filed a second time in error, therefore we wish to withdraw these filings.

Sincerely,
