**RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-150838**

Dear Sir or Madam:

As you are aware, on June 4, 2015, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Premiere Communications Systems, Inc. in the amount of \$100 for violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report and pay regulatory fees with the Commission by May 1 each year. On May 4, 2015, Premiere Communications Systems, Inc. filed its 2014 annual report and paid its 2015 regulatory fee, which is one business day late, and has incurred a penalty of \$100. The Commission sent you a Final Notice dated July 23, 2015, indicating that the balance of \$100 was due.

The Commission has not received the \$100 payment due and owing.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$100 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

  
SALLY BROWN  
Senior Assistant Attorney General
