From: Betty Young, Transportation Planning Specialist, Rail Safety

Subject: **TR-160089 – Central Washington Railroad**
Completion of Grade Crossing Protective Fund (GCPF) Project
Gap Road (USDOT #098634U)

On February 4, 2016, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$20,000 to the Central Washington Railroad (CWR) for a project involving upgrading the motion sensor train detection at the Gap Road crossing in Benton County, identified as USDOT #098634U. The estimated total project cost was \$20,000.

On March 28, 2016, CWR submitted a request for reimbursement. Rail Safety staff met with CWR staff on April 5, 2016, and confirmed that the project was completed according to the specifications outlined in the order approving the grant.
