

## Memorandum

August 1, 2016

To: TR-160331 - File

From: Betty Young, Transportation Planning Specialist, Rail Safety

Subject: **TR-160331 – Town of St. John**  
Completion of Grade Crossing Protective Fund (GCPF) Project  
Park Avenue – USDOT 809294C

On April 5, 2016, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$20,000 to the Town of St. John (Town) for a project involving modification of active warning devices at the Park Avenue crossing in St. John, identified as USDOT 809294C. The actual total project cost was \$48,663.12.

On August 1, 2016, the Town submitted a request for reimbursement. Rail Safety staff inspected the crossing that same day and confirmed that the project was completed according to the specifications outlined in the order approving the grant.
