Subject: **TR-160393 – Central Washington Railroad**
Completion of Grade Crossing Protective Fund (GCPF) Project
Old Inland Empire Highway – USDOT 098643T

On April 26, 2016, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$8,900 to the Central Washington Railroad (CWR) for a project involving modification of active warning devices at the Old Inland Empire Highway crossing in Benton county, identified as USDOT 098643T. The actual cost was \$8,337.74.

On February 27, 2017, CWR submitted a request for reimbursement. Rail Safety staff inspected the crossing on March 16, 2017, and confirmed that the project was completed according to the specifications outlined in the order approving the grant.
