**NOTICE WITHDRAWING PENALTY**

RE: Pacific Northwest Distributing, LLC, Commission Staff's Request to Rescind Penalty Assessment  
Docket TE-160721

TO ALL PARTIES:

On June 22, 2016, the Washington Utilities and Transportation Commission (Commission) issued and served a Penalty Assessment against Pacific Northwest Distributing, LLC (Pacific or Company) in the amount of \$400, alleging violations of WAC 480-30-071 and WAC 480-30-076, which require charter and excursion carrier companies to file annual reports and pay regulatory fees by May 1 each year, or on the first business day thereafter.

On October 6, 2016, Commission staff (Staff) filed with the Commission a Request to Rescind the Penalty Assessment. Staff explained that the Company has dual authority from the Commission to operate as both an auto transportation carrier and a charter and excursion carrier. The Company's violations were addressed in Docket TC-160660, and the Penalty Assessment in Docket TE-160721 was issued in error.

Because the Penalty Assessment was issued in error, the Commission withdraws the duplicate penalty assessed against Pacific in Docket TE-160721.

**THE COMMISSION GIVES NOTICE that the penalty of \$400 assessed against Pacific Northwest Distributing, LLC is withdrawn and Docket TE-160721 is closed.**
