Hi Michael,
Neighbors Relocation Services is the only DBA that we need you to add. You can remove the "Neighbors Relocation" and "Movers of Seattle" from the request as I was only adding those in an attempt to be overly thorough.

Please let me know if you have any other questions.

Hi Joe, the "Neighbors Relocation Services" d/b/a is on there, but your other ones aren't. "Neighbors Relocation" and "Movers of Seattle" specifically.

Hi Michael,

I wanted to do some research before replying, but everything that I see on our DOT filing says that the Neighbors Relocation Services DBA is on the DOT filing. I have attached the FMCSA page that I printed today. Please let me know if you need anything else.
