RE: *Washington Utilities and Transportation Commission v. Orcas Island Freight Lines Inc.*

Commission Staff's Letter Confirming Compliance TV-170540

Dear Mr. King:

On July 3, 2017, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket TV-170540 against Orcas Island Freight Lines Inc. for ten violations of Washington Administrative Code (WAC 480-15-480), which requires household good companies to furnish annual reports and the regulatory fee to the commission no later than May 1 each year. Orcas Island Freight Lines Inc. had the option to have \$750 of the \$1,000 penalty suspended on the conditions that: (1) Orcas Island Freight Lines Inc. files a complete annual report; and (2) pays any outstanding regulatory fee; and (3) pays the \$250 portion of the penalty that is not suspended within 15 days of the receipt of the Penalty Assessment Notice.

After reviewing commission records, staff confirmed on August 8, 2017, that all three conditions of the penalty suspension was met as Orcas Island Freight Lines Inc. filed a complete annual report, paid the outstanding regulatory fee and paid the \$250 portion of the unsuspended penalty. As all three conditions have been met, it is staff's recommendation that the \$750 suspended portion of the penalty be waived and the docket closed.

If you have any questions regarding this recommendation, please contact Sean Bennett, Regulatory Analyst, at (360) 664-1157, or [sbennett@utc.wa.gov](mailto:sbennett@utc.wa.gov).

Sincerely,

/s/ Sean Bennett
