Vancouver, WA 98683

Dear Jeanne,

[REDACTED] is requesting a reserved block of phone (DID – direct inward dialing) numbers to renumber our [REDACTED] phone numbers to coincide with their historical extension numbers. The goal is to have employees numbers match the last 4 digits of the DID. This new block of numbers will allow us to provide consistency [REDACTED]  
[REDACTED]

It is important that all phone numbers have a consistent NPA and [REDACTED] for consistency and use with our phone system. We are requesting the following blocks of numbers:

[REDACTED]

It is our intent to return all our existing telephone numbers after an eighteen month redirect of the number.

Sincerely yours,

[REDACTED]
