DO NOT REDOCKET**

Northwest Natural Gas, dba NW Natural ("NW Natural" or the "Company"), herein files Supplement No. 3 to its 2018 Integrated Resource Plan ("IRP") Work Plan which was originally submitted on August 25, 2017, in compliance with Washington Administration Code ("WAC") 480-90-238.

The Supplemental Work Plan reflects a revised filing date for the Draft 2018 IRP, updated agenda topics for the June 27 Technical Working Group meeting, and the addition of a Technical Working Group meeting on August 2. The schedule will now allow for a review of the Action Plan prior to releasing the Draft 2018 IRP as well as time for a final review of the Draft 2018 IRP prior to releasing the Final 2018 IRP. The content of the IRP has also been expanded to include additional information on Avoided Costs.

If you have any questions, please contact me at 1-503-226-4211, extension 5865.

Sincerely,

/s/ Gail A. Hammer
