## MULTI-FAMILY RATE AND SERVICE CHANGE NOTIFICATION

Dear Customer:

October 10, 2017

As you know, beginning March 1, 2017 we provided customers with wheeled garbage carts to replace manually serviced customer provided cans. Customers received their wheeled carts between March and June 2017. Upon receipt of the carts, customers began to experience a higher rate, which was the result of a request for approval of this new program with the Washington Utilities and Transportation Commission (WUTC) to recover the capital investment, and other costs required for this new program. Unfortunately we recently found there was a mathematical error in the calculation of the new cart rates and we are not currently recovering the cost of this new program.

We worked with the WUTC to correct this mathematical error, and customers will see these new rates on their bills effective November 1, 2017. The new monthly rates are as follows:

Can/Cart Size	Revised Rates	
	Original Cart Rates	Effective 11/1/2017
<b><i>Multi-Family Garbage</i></b>		
Mini Can/20 Gallon Cart	\$ 15.79	\$ 16.20
1 Can/1 35 Gallon Cart	\$ 19.88	\$ 20.40
2 Cans/1 65 Gallon Cart	\$ 31.21	\$ 32.02
3 Cans/1 95 Gallon Cart	\$ 45.97	\$ 47.17
Non-Recycling Customers add \$.75 per month.		
Note: Rates for services listed are going up on an average of 8.73%.		
<b><i>Recycling</i></b>		
95 Gallon every-other-week	\$ 7.14	\$ 7.14

We sincerely apologize for this and any confusion this may cause. We work closely with the WUTC, and it is both of our goals to ensure your rates are fair, just and reasonable, and that we provide the best level of service to you possible.

If you have any questions regarding the revised rates, please contact Murrey's Disposal Co., Inc. between 7:30 a.m. and 5:00 p.m. Monday through Friday. Emailed questions may be sent to [MurreysDisposal@wasteconnections.com](mailto:MurreysDisposal@wasteconnections.com).
