Disposal Cost Recovery Filing TG-180046

On behalf of Basin Disposal of WA., LLC d/b/a Basin Disposal of Walla Walla - G-165 I am filing revised tariff pages for this filing.

I am also enclosing a copy of Columbia County, Washington's Resolution #2018-01 increasing the disposal fee at their landfill from \$85.30 per ton to \$89.80 per ton. This is the same rate as Sudbury Road Landfill in Walla Walla, WA.

Included with this filing is an Excel workbook titled Basin of Walla Walla-Rate Calculations 1-12-18.xlsx which is a disposal workbook previously furnished by staff. This workbook has rate calculations, customer counts, price-outs both current and current residential and commercial tonnage summaries.

Yours truly,

*Weldon Burton*
