RE: *Washington Utilities and Transportation Commission v. Keiko Martinez dba U-Relax Moving & Delivery Service*
Docket TV-180133

Dear Mr. King:

On March 21, 2018, Commission staff (staff) provided an evaluation of the Safety Management Plan (SMP) submitted by Keiko Martinez dba U-Relax Moving & Delivery Service (U-Relax Moving) in Docket TV-180133. Staff believes the company took all of the required steps to bring its safety operations into compliance with commission regulations. Based on the companies corrective actions staff recommended that the commission reduce the penalty for a period of two years with the following conditions:

1. The company maintains a *conditional* safety rating.
2. The company not incur any repeat violations upon a non-rated follow-up safety investigation in 2019; and
3. The company pay the remaining \$2,075 penalty immediately.

On April 9, 2018, staff spoke with the company and found that the company accepts the conditions outlined in the SMP Evaluation and waives its right to a hearing. Accordingly, staff recommends the commission cancel the brief adjudicative proceeding scheduled for April 13, 2018.
