**Re: Docket UE-180526
Replacement Page 15 to PSE's Annual Energy and Emissions Intensity
Metrics Report**

Dear Mr. Johnson,

Attached is Puget Sound Energy's ("PSE") replacement page 15 to its 2017 Annual Energy and Emissions Intensity Metrics Report submitted on June 1, 2018 in the above-referenced docket.

It has been brought to our attention that the narrative on page 15 indicated total emissions were down by 0.3%, while emissions were up by 0.3%. This has been updated in the attached replacement page.

Please contact Nate Hill at (425) 457-5524 or nate.hill@pse.com for additional information about this filing. If you have any other questions, please contact me at (425) 456-2142.

Sincerely,

/s/ Jon Piliaris
