Subject: Docket TR-190346 – Petition by BNSF Railway Company (BNSF) to modify warning devices at State Route 22 (Buena Way), USDOT 099190G

In Docket TR-190346, the Commission approved specific modifications to warning devices at the State Route 22/Buena Way crossing, identified as USDOT 099190G, by Order 01, effective May 14, 2019. This included:

- Removal of the predictor circuit on one siding track and replacement with an island circuit with stop and wait signs for train traffic.

The Order, in §12(2) states:

Petitioner must notify Commission Staff within 30 days of completion of this project.

Petitioner BNSF did not notify the Commission of completion of the project. However, a review of Commission records shows that Rail Safety staff inspected the crossing on March 10, 2022. Records confirm modifications to the crossing are complete and in compliance with Order 01 in TR-190346.

This matter is now closed.
