Subject: Docket 190754

Steve:

Thank you for talking to me yesterday about the possibility of scheduling payments on this assessment. I would propose that we pay \$1,000 per month for the next three months starting November 25, 2019. This would mean that the final payment would be January 25, 2020. Please let me know if this is acceptable. Thanks,

Kathy Wilson, President
Eller Corporation
