**Re: UG-190784 (Advice No. 2019-34)
PSE's Natural Gas Tariff Filing – Do Not Redocket**

Dear Mr. Johnson:

Puget Sound Energy (“PSE”) submits in connection with Docket UE-190784 the following tariff sheets to replace the tariff sheets that accompanied PSE’s September 18, 2019 filing which was submitted under PSE’s Advice No. 2019-34. This filing includes the following portion of the Company’s WN U-2 tariff for natural gas service.

**Original Sheet No. 174-A - Schedule 74, Gas Conversion Burner Rental Service (Continued)
Attachment “A” to Schedule 74 – Form of Termination Letter and Bill of Sale**

The primary purpose of this substitute filing is to update the final date to schedule optional inspection and maintenance appointments from March 24, 2020 to March 31, 2020, and to explain in Attachment “A” Form of Termination Letter that customers will continue to receive all of the services of their lease through the program end date of March 31, 2020, even if they return a signed copy of their Bill of Sale before that date. There are also minor revisions to the Termination Letter that improve clarity for customers as they move through this process.

The tariff sheets described herein reflect the original issue date of September 18, 2019, and effective date of November 1, 2019. As required by WAC 480-90-193, PSE will post the proposed tariff sheets on the PSE web site coincident with the date of this transmittal letter.

Please contact Veronica Martin at 425-457-5624 or Julie Waltari at 425-456-2945 for additional information about this filing. If you have any other questions, please contact me at (425) 456- 2142.
