Re: UG-200393, WAC 480-90-257, **Revised** Commission Basis Report

Dear Mr. Johnson:

Cascade submits the current report as a replacement to the original report filed on April 30, 2020. During Staff's investigation and analysis of the report, discovered in the report several items were to make the results more accurate.

In this report, Cascade has revised the rate base calculation to reflect average of monthly averages, instead of end of period. Cascade has reviewed its records and is unaware of any items that materially impact its results of operation per the criteria identified in WAC 480-90-257(2)(b).

The attached summary sheets and supporting workpapers, UG-200393 CNGC Commission Basis ARpt 9-11-20r.pdf and UG-200393 CNGC Commission Basis WP 9-11-20r.xlsx.

If you have any questions regarding this filing, please contact me at (509) 734-4593.

Sincerely,

/s/ Michael Parvinen
