COMMISSION

Dear Secretary:

This filing amends the previously filed tariff pages to docket number TG-200862. The previous filing proposed rates for a new service offering cardboard only dumpster collection, however due to limited interest from customers and strenuous administrative requirements regarding this new service, the company has decided to forgo implementation of this service into their tariff. The previously proposed Washington State University Food Waste program is the only customer requested rate remaining in this proposed amendment to the tariff.

My authority to file on behalf of Pullman Disposal Service, Inc. is on record.
