RE: **Docket No. 210182 – Avista Utilities Revises Tariff WN U-28, Proposed Electric Transportation Schedule 77 and Commercial Electric Vehicle Rate Schedules 13 and 23.**

Dear Mr. Johnson:

On March 18, 2021, Avista Corporation, dba Avista Utilities (Avista or “the Company”) filed with the Washington Utilities and Transportation Commission (Commission or UTC) proposed revisions to its electric tariff WN U-28, Schedule 77 - “Electric Transportation”, Schedule 13 – “Optional Commercial Electric Vehicle Rate-General Service” and Schedule 23 – “Optional Commercial Electric Vehicle Rate-Large General Service”. After subsequent conversations with Commission Staff, the Company hereby respectfully requests the following modifications be made to its original filing:

Revised - Attachment A to Schedule 77

Revised - Attachment B to Schedule 77

Avista respectfully requests that the above-requested modifications be incorporated into its proposed tariff Schedule 77, Electric Transportation, to be made effective for services on April 26, 2021. The Company has provided substitute Attachments A & B for replacement of the previously provided Attachments to Schedule 77. If you have any questions regarding this filing, please contact Paul Kimball at (509) 495-4584.
