On March 22, 2021, Northwest Natural Gas Company, dba NW Natural (NW Natural or Company) filed revisions to its Tariff WN U-6, stated to become effective April 23, 2021, to introduce Schedule K – COVID-19 Assistance Program (CAP) as a result of term sheet agreement in U-200281. This filing includes the following revised tariff sheets, which replace the same pages from its March 22, 2021 filing. The index tariff page included in the initial March 22, 2021 filing remains unchanged.

Original Sheet K.1	Schedule K	COVID-19 Assistance Program (CAP)
Original Sheet K.2	Schedule K	COVID-19 Assistance Program (CAP)

NW Natural provides these revised tariff sheets to reflect discussions and input from Commission Staff, which include: 1) removing language in item #3 in the Application section regarding the application of CAP grants to reconnection quotes to avoid complexities and potential incompatibility with prior obligation rules; 2) removing unnecessary language in Special Condition #1; and 3) changing the date referenced in the Program term to September 30, 2022, to allow for extended participation.

In accordance with WAC 480-90-193 and WAC 480-90-195(3), copies of this letter and the attached filing are available in the Company’s main office in Portland, Oregon, and on its website at [www.nwnatural.com](http://www.nwnatural.com).

As requested by WAC 480-80-103(4)(a) and WAC 480-80-104(8), I certify that I have authority to issue tariff revisions on behalf of NW Natural.
