Good morning!

Thank you for the response and I am sorry to hear about your company. Please complete the attached permit cancellation form and return immediately so that you can be moved off of the investigation list. (Email return is fine)

Thank you,

Francine

Good evening Francine...

My apologies for the late reply, I have been out of town for a week. I terminated our lease at the 22426 72nd Ave S location this past October (2021). The Covid era has been tough on my business and family, and I have been in the process of dissolving my company. Please let me know what I need to do with the UTC moving forward, as I do not intend continue.

Good morning!

I have been assigned to conduct your initial safety investigation and would like to open the investigation next week, Tuesday, March 15, 2022, at 9:00am. Your records on file with the commission show an address of 22426 72nd Ave S in Kent, WA. Is that the correct address and where your driver and vehicle records are maintained?

I have attached an appointment checklist and a questionnaire that should be completed and returned by 5pm on Friday, March 11, 2021.

Thank you and I look forward to working with you!

Francine Gagne
