Re: TG-240001 - Rescinding Cancellation of Permit

Dear Trilogy MedWaste West, LLC:

On January 2, 2024, the Washington Utilities and Transportation Commission (Commission) canceled Trilogy MedWaste West, LLC's Solid Waste permit G069567, for failure to file proof of liability and property damage insurance covering equipment.

It has come to our attention that insurance covering Solid Waste permit G069567 has now been filed with the Commission. The Commission records now reflect that proof of liability and property damage insurance covering permit G069567 is properly filed.

The Commission, therefore, rescinds the cancellation and reissues permit G069567 in the name of Trilogy MedWaste West, LLC. The permit is enclosed, and the company may again operate on a permanent basis.

Trilogy MedWaste West, LLC must continue to comply with state laws and Commission rules. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
