Officer I Director Information

Sanjiv Ahuja – Manager, Founder and Chairman
152 West 57th Street, 34th FL
New York, NY 10019
908-227-2948 - Sanjiv.ahuja@tillmanglobal.com

Sanjiv Ahuja is the Founder and Chairman of Tillman Global Holdings and a globally recognized telecom industry leader known for his transformative contributions to telecommunications and infrastructure. Through Tillman Global Holdings, he invests in and incubates ventures in infrastructure and technology worldwide having built telecommunications infrastructure in the U.S., Europe, Africa, and APAC via portfolio companies such as Tillman Infrastructure, Tillman Digital Cities, Tillman Fiber, and Apollo Towers to name a few. His corporate successes include the turnaround and growth of Orange S.A. from 2003 to 2007. During Mr. Ahuja's tenure as the CEO, Orange grew from 48 million subscribers to well over 100 million subscribers. Orange also added several countries to its footprint both in Europe and Africa. During this period, Orange experienced a dramatic financial turnaround and success on all metrics, including revenue and profitability. Mr. Ahuja led the turnaround of Telcordia Technologies (formerly Bellcore) from 1994 to 2000. During his tenure, the company doubled revenue and more than quadrupled its profitability. Mr. Ahuja previously served on several public boards including Tele for S.A., Cadbury's, Williams- Sonoma, and Network Appliance, and Vodafone. Mr. Ahuja has a degree in electrical engineering from Delhi University, India, and a master's degree from Columbia University in New York.

Sachit Ahuja – Manager, Chief Executive Officer
152 West 57th Street, 34th FL
New York, NY 10019
848-565-4005 - sachit.ahuja@tillmanglobal.com

Sachit Ahuja is Chief Executive Officer of Eaton Fiber Washington, LLC and has over a decade of experience building best-in-class digital infrastructure businesses as Co-President of Tillman Global Holdings, a global digital infrastructure firm based in New York. Since joining Tillman Global Holdings in 2015, Mr. Ahuja launched Tillman Infrastructure, which is the 2nd largest private tower operator in the U.S. and co-founded several digital and energy transition infrastructure businesses including Tillman Fiber, Tillman Digital Cities, Tillman Logistics and Tillman Digital Gateway. Prior to Tillman Global Holdings, Mr. Ahuja was an analyst at The Raine Group, a merchant bank focused on technology, media, telecom, sports, and entertainment. Sachit also serves on the Board of the US - India Strategic Partnership Forum. Sachit earned a Bachelor's degree in Economics with concentrations in Finance and Management from the Wharton School at the University of Pennsylvania and an MBA from Harvard Business School.

Suruchi Ahuja – Manager, Chief Financial Officer
152 West 57th Street, 34th FL
New York, NY 10019
929-392-9556 - Suruchi.Ahuja@tillmanglobal.com

Suruchi Ahuja is Chief Financial Officer of Eaton Fiber Washington, LLC and has more than 15 years of experience in the telecommunications industry. Mrs. Ahuja's experience includes almost a decade in executive roles at Tillman Infrastructure, most recently as Chief Executive Officer after successfully executing in the role of Chief Financial Officer, where she now serves on the Board of Directors. Under Mrs. Ahuja's leadership, Tillman Infrastructure grew from a business idea to the leading, scaled macro tower and digital infrastructure platform it is today, owning and operating over 2,000 towers in 41 states across the U.S. Tillman Infrastructure is currently the most prolific builder of towers in the U.S. (primarily for AT&T, Verizon and T-Mobile via long-term, contracted relationships) having built ~30% of new towers in the U.S. since its inception. Prior to Tillman Infrastructure, Suruchi was an investment analyst at MAST Capital Management, specializing in telecom and satellite sectors, and began her career at Citigroup in the Hedge Fund Services division. Suruchi holds a degree from the School of Engineering and Applied Sciences at Columbia University and an MBA from INSEAD.

Nick Brown – Manager, Chief Operating Officer
152 West 57th Street, 34th FL
New York, NY 10019
929-392-9556 - nick.brown@tillmanglobal.com

Nick Brown is Chief Operating Officer of Eaton Fiber Washington, LLC and has nearly 20 years of experience in the communications industry. Mr. Brown also serves as Managing Director at Tillman Global Holdings, where he spearheads new investments and capital markets activities across technology, media, telecom, and energy transition sectors. Before joining Tillman Global Holdings, Mr. Brown was Executive Vice President of Corporate Finance and Development at Altice USA, overseeing corporate development, mergers and acquisitions, treasury, and investor relations, while serving on Lightpath's Board of Managers. Prior to Altice USA, Mr. Brown was Head of Investor Relations for Altice N.V., which he joined from Goldman Sachs' Global Investment Research division where he was an Executive Director covering European Telecoms, Cable, Satellite and Tower companies. He previously worked at Espirito Investment Bank (formerly Execution Noble) as an Equity Research Analyst covering European Telecoms and Media companies. Nick holds a Master's degree in Economics from the University of Cambridge.
