Dear Rian:

Per your request, we are prepared to discuss California local interconnection with you. The members of my staff who are actively involved in this topic and would participate in a kick-off meeting are:

- Steve Black - AVP, Carrier Markets Product Management
- Mike Billings - Director, Colocation/Interconnection
- Wayne Irwin - Director, Carrier Market Sales
- Sam Jones - Manager, IC Regulatory Support
- Lisa Houser - National Manager - AT&T Account Manager

We could do a video conference, or meet in either Thousand Oaks or your location. Please provide me with your location preference and available dates.

Sincerely,

  
Larry J. Sparrow
