RE: Sound Disposal Holdings, Inc. d.b.a. Sound Disposal, Inc., G-082, Tariff 13, Commodity Price Adjustment Filing

Attached please find revised pages for Tariff Number 13, as well as supporting documentation for the Commodity Price Adjustment (CPA).

This filing proposes the CPA will change from a debit of \$.54 to a debit \$3.78 for single family recycling; a debit of \$.17 to a debit of \$.88 for multi-family cart recycling service; and a debit of \$1.12 to a debit of \$1.56 for multi-family container recycling service. This proposed change in the CPA is a result of higher cost of processing incurred over the last 6-months.

If the Commission approves this filing, the hauler's overall revenue and cost will increase by approximately 1.9%, or \$36,500.

Due to increased volatility in the recycling commodity markets we are respectfully requesting a waiver from WAC 480-70-351(2). The calculation uses the most recent six-month historical period to estimate the recycling commodity processing expense/commodity price adjustment. Further, we request the payback period to be six-months, expiring August 31, 2023.

Enclosed are Revised Tariff Pages, No. 2, Check Sheet, Page 21, Item 100 Residential Service, and Page 31, and Item 105 Multi-Family Service filed for Sound Disposal, Inc; as well as supporting workpapers and backup cost information.

The requested effective date for this filing is March 1, 2023.

The Company will notify customers of the increase on the next billing under the provision of 480-70-271(2)(a)(iii)
