Re: Docket No. UT-043023
Request for Approval of Amendment to the Interconnection Agreement
between Qwest Corporation and Preferred Long Distance

Dear Ms. Washburn:

In accordance with the Commission's ruling in Docket Nos. UT-960310 and UT-043084, Qwest requests approval of the enclosed QLSP Master Services Agreement as an amendment to the Interconnection Agreement between Qwest and Preferred Long Distance. In requesting such approval of the Master Services Agreement, Qwest does not concede that the agreement is subject to approval under Section 252 of the Telecommunications Act of 1996, and this request is without waiver of Qwest's rights to contest any filing requirement and approval or rejection under that section.

Qwest has also enclosed a Request for Approval form, completed per the informal request of Commission Staff on May 12, 2004.

The enclosed Agreement does not discriminate against non-party carriers. It is consistent with state and federal law, and is in the public interest.

Qwest respectfully requests that the Commission approve this Amendment expeditiously.

Sincerely,

Maura E. Peterson
