Subject: Docket No. UG-060256; Public Hearing Report Back Deadline

Judge Caille:

Today is the deadline for the parties to report back on the scheduling of the public hearing in the Cascade Natural Gas general rate case, Docket No. UG-060256. Public Counsel and the Company have a tentative agreement on two dates and two locations. We now need to run those by the other parties and the Commission's public affairs staff.

Therefore, we are proposing to move the final report back until next Friday, May 26. The Company has agreed to the extension and I have received no objections from other parties. Please let me know if that is acceptable and/or if you need anything else from me.

Thank you for consideration of this matter.
