NOTICE REVISING PROCEDURAL SCHEDULE

NOTICE OF HEARING
(Set for June 20, 2018, at 9 a.m.)

Re: *Washington Utilities and Transportation Commission v. Cascade Natural Gas Corporation*, Docket UG-170929

TO ALL PARTIES:

On August 31, 2017, Cascade Natural Gas Corporation (Cascade or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective Tariff WN U-3 for natural gas service the Company provides in Washington. The Commission suspended the as-filed tariffs and set the matter for hearing in Order 01 on September 14, 2017.

On October 9, 2017, the Commission convened a prehearing conference in this docket and adopted an agreed procedural schedule. On October 10, 2017, the Commission entered Order 03; Prehearing Conference Order; Notice of Hearing, which established the procedural schedule, including an evidentiary hearing set for May 15-17, 2018.

On April 27, 2018, Commission staff (Staff) filed a letter informing the Commission that the parties had reached a partial settlement in principle and requesting that the Commission suspend the procedural schedule to allow the parties to finalize and file their agreement and supporting documentation. That same day, counsel for Staff sent the presiding administrative law judge an email notifying the Commission that the parties had agreed to the following revised procedural schedule:

<u>EVENT</u>	<u>REVISED DATE</u>
Partial Joint Settlement Agreement with Supporting Testimony	May 18, 2018
Exhibit List, Cross Examination Exhibits, Witness Lists, and Time Estimates	June 6, 2018
Evidentiary Hearing (for remaining contested issue and partial joint settlement agreement)	June 20, 2018
Simultaneous Post-Hearing Briefs	July 3, 2018

THE COMMISSION GIVES NOTICE That the procedural schedule in Docket UG-170929 is revised as described above.

THE COMMISSION GIVES FURTHER NOTICE That it will conduct a hearing on the settlement and remaining contested issue on June 20, 2018, at 9 a.m. in the Commission's hearing room, Room 206, Richard Hemstad Building, 1300 S. Evergreen Park Dr. SW, Olympia, Washington.
