RE: Docket UT-061625: Notice of Tariff Changes for Services Treated as Competitively Classified, Rate Increase for Standalone Residential Exchange Service, and Elimination of the Residential Directory Assistance Call Allowance

Dear Ms. Washburn:

Qwest Corporation is forwarding for replacement the sheets listed on Attachment A. This filing completely replaces previous filings under the 3635T transmittal number.

As provided for in Order No. 6 ("Order") by the Washington Utilities and Transportation Commission ("Commission") in Docket UT-061625, Qwest is filing to move some of its services that will be treated as competitively classified services from its WN U-40 Exchange and Network Services Tariff to the Exchange and Network Services Catalog posted on Qwest's web site.

Additionally, Qwest is also filing to withdraw WN U-39 Advanced Communications Service Tariff. All services in their entirety will move from that tariff to the Advanced Communications Service Catalog posted on Qwest's web site. Qwest is also filing to withdraw WN U-41 Private Line Transport Services Tariff. All services in their entirety will move from that tariff to the Private Line Transport Services Catalog posted on Qwest's web site. The services contained in these respective catalogs will be treated as competitively classified services under Qwest's AFOR.

In a separate filing, Qwest will file updated copies of the revised Exchange and Network Services Catalog, Advanced Communications Service Catalog and Private Line Transport Services Catalog, at Commission Staff's request, for informational purposes only.

Qwest is also notifying the commission that it will increase stand alone residential basic exchange service by \$1.00 and eliminate the residential Directory Assistance Call Allowance. This increase and call allowance elimination is allowed under the terms of Qwest's AFOR.

Qwest has also revised its Customer Service Guarantee Program in its WN U-40 Exchange and Network Services Tariff consistent with the Order to provide additional customer credits in the event that Qwest does not meet certain service commitments.

Qwest requests that both the tariff and rate changes described above become effective on December 1, 2007.

Customers were notified of these changes in accordance with the notices and declarations previously filed in this docket.

Finally, as required by the Order, Qwest will ensure that its customers purchasing its packages pay no more for their services than if they were to purchase them on an ala carte basis. Qwest will work cooperatively with Commission Staff on a review and compliance plan for this provision.

If you have questions concerning this filing, please contact Mark Reynolds on (360) 345-1568.

Sincerely,

Mark Reynolds
