Re: *In the Matter of the Six-Month Review of Qwest Corporation's Performance Assurance Plan*,
Docket No. UT-033020

Dear Ms. Washburn:

The filed version of Qwest's Petition for Clarification which was filed today contains a typographical error. On the third page, a phrase was omitted from the sentence which begins at the top of the page. The sentence should read "Qwest seeks clarification that it will be required to process payments to CLECs beginning in May, 2004 for service rendered and reported results beginning April 1, 2004 because Qwest currently does not have the capability by individual product to prorate or apply payments based on less than one month's reported data." [omitted matter is underlined. I apologize for this error. Please accept this letter as an erratum to that page. Copies are being served on the parties. Thank you.

Very truly yours,

Douglas N. Owens
