**Re: Docket UE-171087  
2018 Department of Commerce EIA report**

Dear Mr. King,

Consistent with requirements outlined in WAC 408-109-120(3)(c) and WAC 480-07-140(5) Puget Sound Energy (“PSE”) provides an electronic version of its 2018 Department of Commerce Conservation EIA report, which PSE concurrently presented to the Department today:

UE-171087-PSE-EIA-Conservation-Report-(5-31-2018).xlsx

The conservation-specific tab (“Conservation Report”) summarizes PSE’s 2018 electric conservation acquisition and expenditures that were detailed in its 2018 Annual Report of Energy Conservation Accomplishments, filed in Docket UE-171087 on April 1, 2019. PSE’s renewables-specific tabs were provided as Attachment 6 to its 2019 Renewable Portfolio Standard Report filed on May 24, 2019 in Docket UE-190411.

Consistent with WAC 480-109-110(3), PSE provided an electronic version of the report workbook to its Conservation Resource Advisory Group (CRAG) on May 1, 2019.
