### NOTICE MODIFYING PROCEDURAL SCHEDULE

RE: *In the Matter of the Petition of Puget Sound Energy for Penalty Mitigation Associated with Service Quality Index No. 11-Electric Safety Response Time Annual Performance for Period Ending December 31, 2021*

Docket UE-220216

TO ALL PARTIES:

On March 29, 2022, Puget Sound Energy (PSE or Company) filed with the Washington Utilities and Transportation Commission (Commission) a Petition for Penalty Mitigation (Petition). The Petition requested that the Commission enter an order waiving the \$613,636 penalty associated with PSE's Service Quality Index No. 11-Electric Safety Response Time. The penalty resulted from PSE's failure to meet the 55-minute average benchmark for the arrival of an electric first responder following a customer service call.

On June 22, 2022, the Commission entered Order 02, Prehearing Conference Order; Notice of Hearing (Order 02) which, among other things, established a procedural schedule in this matter including a discovery deadline, or last day to issue data requests, of March 5, 2023.

It has come to the Commission's attention that March 5, 2023, falls on a Sunday. The Commission therefore finds good cause to modify the discovery deadline – last day to issue data requests to Monday, March 6, 2023. The updated procedural schedule is attached to this Notice as Appendix A.

**THE COMMISSION GIVES NOTICE That the procedural schedule in this matter is modified to adjust the discovery deadline – last day to issue data requests to March 6, 2023.**
