WAC 480-09-337 Filing requirements--General rate increases water companies. A rate increase filing for a water company must include at least the following information:

(1) Cover letter - each filing must include a cover letter. The letter must:

(a) Provide a description of the filing, and the requested action, in understandable terms;

(i) Technical terms are acceptable, but descriptions must use common terms so the public can easily understand the impact of the filing;

(ii) Acronyms, if used, must be defined before they are used in the text of the letter;

(b) State why the filing is being made, e.g.; increased costs for water testing;

(i) Compliance filings required by prior commission action must include the docket number of the commission action and the name of that proceeding;

(ii) Rate change filings must describe each service that is impacted and the dollar and percentage change for each service as well as the net impact of all changes on the company's total regulated revenue;

(iii) Filings that only address changes to the text of the tariff must describe the general effect, and reasons for the changes;

(c) Requests for permission to change tariffs on less than statutory notice will be granted by the commission only when it deems the circumstances or conditions justify the lack of notice. The request must include a complete explanation of the reasons that support less than statutory notice treatment;

(d) Failure to include required information in the cover letter could result in the filing being rejected.

(2) The proposed tariff with explanatory markings.

(3) Supporting work papers for the test period. The supporting work papers must include:

(a) A calculation of the revenue impact of proposed rates by each class affected;

(b) Balance sheet and statement of revenues and expenses;

(c) Depreciation schedule;

(d) If adjustments are proposed, the company must file:

(i) Schedule showing adjustments to the statement of revenues and expenses, including any restating adjustments and/or proforma adjustments including effect of proposed rates;

(ii) Work papers explaining both restating and proforma adjustments;

(e) Usage statistics verifying test year revenues and proposed revenues;

(f) Public water system identification number assigned by Washington department of health for each system that the new rates will affect; and

(g) Schedule showing separation of revenues and expenses between regulated and nonregulated operations.

(4) A copy of the notice mailed to customers.
